PAYMENT OPTIONS AT TOLL STATIONS

There are three (3) modes of payment for motorists using the Nairobi Expressway:

- 01 Cash**
Cash users are not obliged to register prior to their trip on the Nairobi Expressway.
- 02 Electronic Toll Collection (ETC)**
The service allows Toll Points to be electronically deducted through the pre-installed On-board Unit (OBU) device, offering a non-stop road service.
- 03 Manual Toll Collection (MTC) Card**
The card can be loaded with Toll Points used to pay toll fees at Toll Stations.
(Other modes of payment will be available in the near future)
