

# NON-CASH PAYMENT METHODS OF THE NAIROBI EXPRESSWAY

## 1. Manual Toll Collection (MTC) Card

The MTC Card provided by MOJA can be loaded with Toll Points used to pay toll fees at Toll Stations. MTC-Card holds many benefits including non-cash payment, saving time, less fuel consumption, and discounts.

### How to Apply:

- Visit the Service Centre at Nairobi Expressway Plaza
- Fill in the MTC Card Subscriber Registration Form
- Present required documents (ID/Passport)
- Pay a service charge of KES 300 inclusive of VAT
- Purchase Toll Points and activate your MTC Card
- Load Toll Points into your MTC Card

**Note: Minimum purchase amount of Toll Points is KES 1000 and with a validity of One (1) Year.**

### How to Top Up Toll Points

- Visit the Service Centre at the Nairobi Expressway Plaza
- Visit official website on [www.nairobiexpressway.ke](http://www.nairobiexpressway.ke)
- Applications or websites from Authorized banks

## 2. Electronic Toll Collection (ETC) Service

The ETC Service provided by MOJA allows Toll Points to be electronically deducted through the pre-installed On-Board Unit (OBU) device offering a non-stop road service. The ETC Service holds many benefits including non-cash payment, saving time, less fuel consumption, and discounts.

### How to Apply:

- Visit the Service Centre at Nairobi Expressway Plaza
- Fill in the ETC Service Subscriber Registration Form
- Present required documents (ID/Passport and Logbook)
- Pay a service charge of KES 1000 inclusive of VAT
- Install and activate your OBU device
- Purchase Toll Points
- Load Toll Points into your OBU device

**Note: Minimum purchase amount of Toll Points is KES 2000 and with a validity of One (1) Year.**

### How to Top Up Toll Points
